OPPORTUNITIES FOR UNDEGRUATES

There was a meeting between the Mountain University students and **Società Servizi & Sistemi di Pisogne**, a company which provides specialized support for the general management of services to companies and public bodies on 11th June 2009 in the Main Hall of the Edolo Campus.

During the meeting Fabrizio Lela (Prevention Services Technician of Servizi & Sistemi srl, Pisogne) and Claudio Givogre (Prevention Services Technician of Brixia Servizi srl in Brescia) dealt with topics such as work safety, the importance of encouraging a safety-oriented awareness, models of application in a work situation and the importance of developing topics such as healthy and safety at work also at university as career preparation.

Two students of the Edolo Undergraduate course will have free places on a certified training course **Sincert for Auditors of environment management systems** ISO 14001 or safety management systems OSHAS 18001 which is taking place in Pisogne (BS). This course will allow these students to acquire useful training and contact with the problems of a work environment.
