The NEW Master's Degree Course in VALORIZATION AND SUSTAINABLE DEVELOPMENT OF MOUNTAIN AREAS takes place entirely at the UNIMONT Campus of the University of Milan in Edolo (BS). The location of the centre enhances teaching within the mountain environment and gives students the opportunity to experience, on a day-to-day basis, the characteristics of the territory that, as professionals, they will influence.

The Master's Degree is TAUGHT IN ENGLISH and aims to train professionals capable of promoting the enhancement, development and sustainable management of mountain territories, by applying innovative approaches and a comprehensive vision in order to promote the creation of products and/or services of economic and social value.
