NEWS HIGHLIGHTS

"Young Entrepreneurs in the Mountains" – Take part and share the survey on youth entrepreneurship in Italian mountain areas, to understand its value and potential, to facilitate its success!

The GIM - Young Entrepreneurs in the Mountains questionnaire is aimed at Italian entrepreneurs aged between 18 and 40 and aims to map and characterize the enterprises set up by young people in Italian mountain areas: <https://survey.zohopublic.eu/zs/3zDH5i> (the questionnaire is in Italian only).

UNIMONT took part in Smart Mountains, the 12th European Mountain Convention

From 25th to 27th October 2022, the UNIMONT team of the University of Milan took part in the Smart Mountains conference, the 12th European Mountain Convention, organized by Euromontana in collaboration with Cia-Agricoltori Italiani, to present a study on governance in mountain areas.

UNIMONT invites to participate in the webinar MOVING EU MAP: "European quality systems: the added value for mountain value chains"

On Tuesday 8th November 2022, from 9:30 am to 1:15 pm, MOVING will organize the online webinar dedicated to the European Multi-Actor Platform (EU MAP) entitled "European Quality schemes: the added value for mountain value chains".

More than one hundred participants took part in the two inaugural events of the literary review RacCONTA LA MONTAGNA

On Tuesday 25th and Wednesday 26th October the sixth edition of racCONTA LA MONTAGNA started. The event dedicated to mountain non-fiction and fiction that the UNIMONT-University of Milan Centre has been organizing for six years with the aim of narrating mountain territories, through the voices of authoritative writers and discussion with students and mountain enthusiasts.

UNIMONT sponsored the 13th SoZooAlp Conference entitled "Livestock and wildlife activities: in search of coexistence"

On the afternoon of Friday 21st October, the conference, coordinated by Silvana Mattiello, President of SoZooAlp and professor at the UNIMONT Centre of the University of Milan, and Enrico Sturaro of the University of Padua, dealt with critical issues following the considerable increase in populations of wild ungulates and predatory carnivores in the Alps.

UNIMONT intervenes at the "Penitentiary University Complex" (PUP) of the Federico II University of Naples in Secondigliano with a lesson on saffron

On Friday 21st October, Dr. Valeria Leoni held a lesson on the quality of saffron and good production practices for the "Penitentiary University Complex" (P.U.P.), presenting the results of recent research published by the UNIMONT Centre group - University of Milan, under the guidance of Prof. Anna Giorgi.

UNIMONT in the 2021 edition of the Sustainability Report of the University of Milan

On page 37 of the 2021 Sustainability Report of the University of Milan, the role of the UNIMONT Centre of the University of Milan, based in Edolo in the heart of the Central Alps, in promoting sustainability, is described.

UNIMONT took part in the meeting "Towards sustainable mountains. Current problems and future challenges"

On Thursday 13th October 2022, during the event "Towards sustainable mountains. Current problems and future challenges" Prof. Anna Giorgi, Coordinator of the Bachelor's and Master's degree courses in Conservation and Sustainable Development of Mountain Areas, gave a speech entitled "Mountains 'at the center': towards a new and specific vision for the sustainable future of mountain areas".

UNIMONT hosted Visiting Professor Audrey Vincent to talk about mountain agriculture and sustainable development

From 11th to 13th October, the UNIMONT Centre of the University of Milan hosted Visiting Professor Audrey Vincent, Associate Professor - ISARA, AgroSchool for Life - Laboratory of Rural Studies Research, Université Lyon 2, to deal with the themes of mountain agriculture and sustainable development.

"COWORCare": UNIMONT welcomed international partners to discuss the potential of coworking in the Alpine Region

On 6th and 7th October, as part of the international project "Coworking with children & elderly in the Alps - COWORCare", UNIMONT, Centre of the University of Milan, hosted international partners from Slovenia (Slovene Chamber of Agriculture and Forestry - Institute of Agriculture and Forestry Maribor), from Germany (CoworkationALPS and e CoWorkLand eG) and the Autonomous Province of Bolzano (Plattform Land, Bozen).

STUDY IN UNIMONT

Congratulations to the new graduates in Conservation and Sustainable Development of Mountain Areas: Beccarelli Paolo, Breno Luca, Bruseghini Mattia, Ercoli Oscar, Mauri Martina, Nana Andrea, Piccinelli Chiara, Togni Stefano.

Best wishes for a future in the mountains! The Bachelor's Degree Course (class L-25) promoted by UNIMONT - Centre of Excellence of the University of Milan prepares graduates with good basic knowledge in the main sectors of agricultural and forestry sciences, with particular reference to mountain environments.

CALLS, INTERSHIPS and JOB OPPORTUNITIES

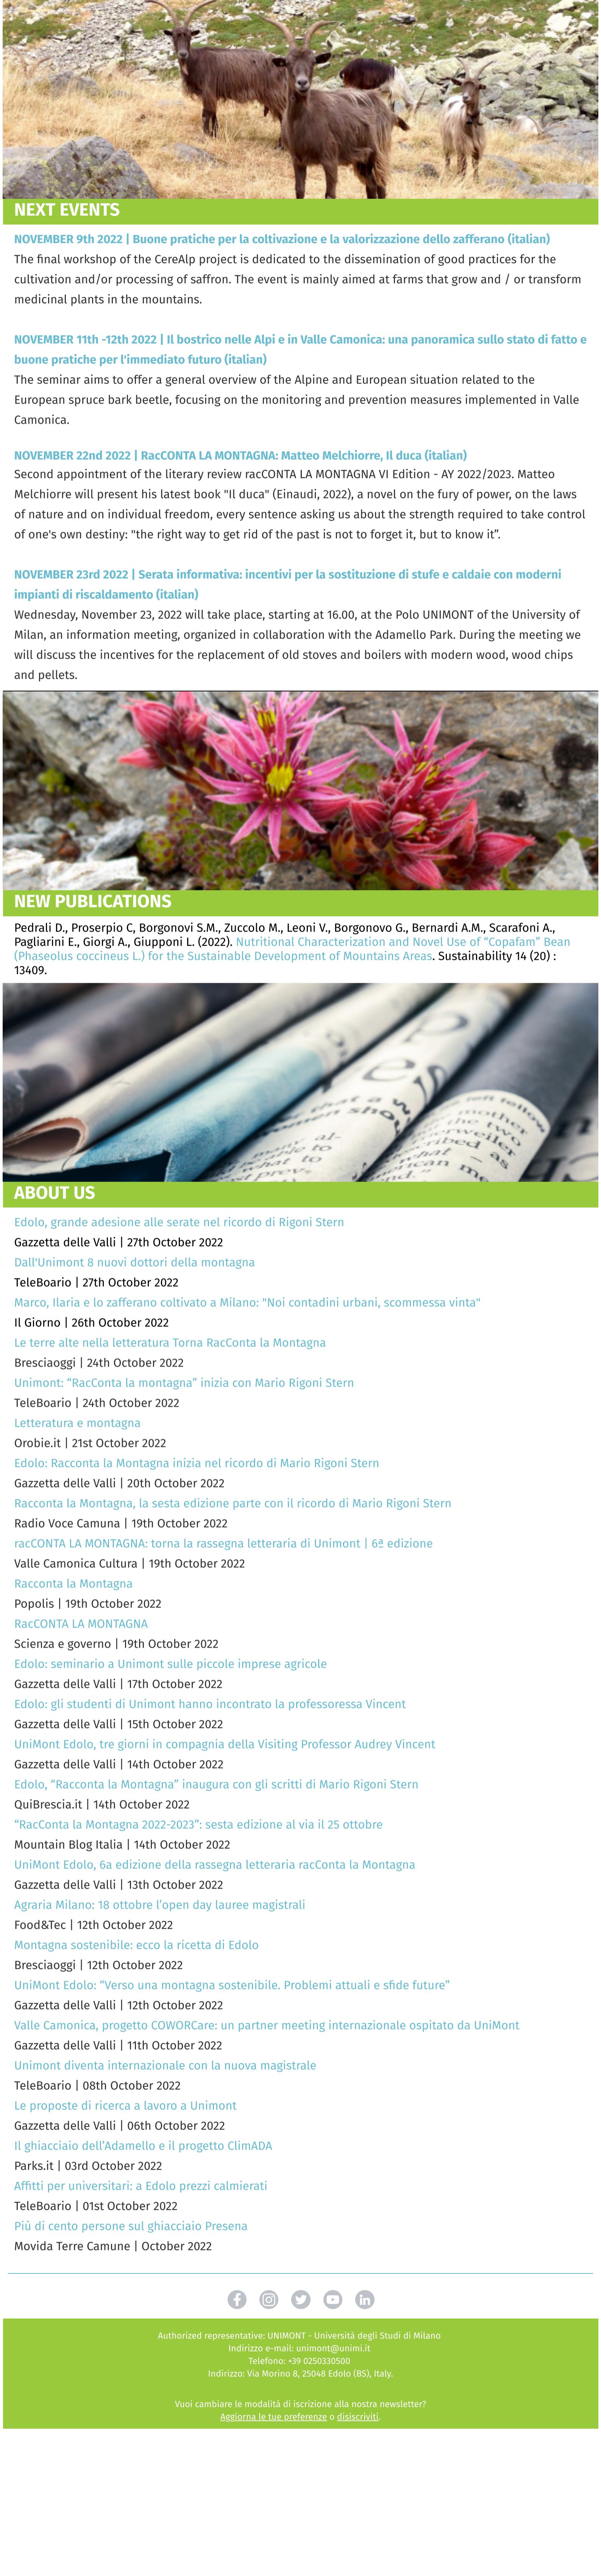

Calls for mountain areas

- **Interreg Alpine Space - Small Scale Projects** - Deadline: 16/12/2022.

In the period 2021-2027, the Interreg Alpine Space program co-finances projects contributing to four main objectives or priorities. Each priority can be declined into specific objectives, which define the direction in which we want to develop the Alpine region.

- **Expression of interest for the presentation of projects of Renewable Energy Communities - Lombardy Region** - Deadline: 30/12/2022.

The general objective is to accompany Municipalities through the analysis and evaluation of the proposals presented so that local initiatives are effectively transformed into active and working energy communities.

NEXT EVENTS

NOVEMBER 9th 2022 | Buone pratiche per la coltivazione e la valorizzazione dello zafferano (italian)

The final workshop of the CereAlp project is dedicated to the dissemination of good practices for the cultivation and/or processing of saffron. The event is mainly aimed at farms that grow and / or transform medicinal plants in the mountains.

NOVEMBER 11th -12th 2022 | Il bostrico nelle Alpi e in Valle Camonica: una panoramica sullo stato di fatto e buone pratiche per l'immediato futuro (italian)

The seminar aims to offer a general overview of the Alpine and European situation related to the European spruce bark beetle, focusing on the monitoring and prevention measures implemented in Valle Camonica.

NOVEMBER 22nd 2022 | RacCONTA LA MONTAGNA: Matteo Melchiorre, Il duca (italian)

Second appointment of the literary review racCONTA LA MONTAGNA VI Edition - AY 2022/2023. Matteo Melchiorre will present his latest book "Il duca" (Einaudi, 2022), a novel on the fury of power, on the laws of nature and on individual freedom, every sentence asking us about the strength required to take control of one's own destiny: "the right way to get rid of the past is not to forget it, but to know it".

NOVEMBER 23rd 2022 | Serata informativa: incentivi per la sostituzione di stufe e caldaie con moderni impianti di riscaldamento (italian)

Wednesday, November 23, 2022 will take place, starting at 16.00, at the Polo UNIMONT of the University of Milan, an information meeting, organized in collaboration with the Adamello Park. During the meeting we will discuss the incentives for the replacement of old stoves and boilers with modern wood, wood chips and pellets.

NEW PUBLICATIONS

Pedrali D., Proserpio C., Borgonovi S.M., Zuccolo M., Leoni V., Borgonovo G., Bernardi A.M., Scarafoni A., Pagliarini E., Giorgi A., Giupponi L. (2022). Nutritional Characterization and Novel Use of "Copafam" Bean (*Phaseolus coccineus* L.) for the Sustainable Development of Mountains Areas. *Sustainability* 14 (20) : 13409.
