## NEWS HIGHLIGHTS

### **“Young Entrepreneurs in the Mountains” – Take part and share the survey on youth entrepreneurship in Italian mountain areas, to understand its value and potential, to facilitate its success!**

The GIM - Young Entrepreneurs in the Mountains questionnaire is aimed at Italian entrepreneurs aged between 18 and 40 and aims to map and characterize the enterprises set up by young people in Italian mountain areas: <https://survey.zohopublic.eu/zs/3zDH5i> (the questionnaire is in Italian only).

### **UNIMONT took part in the initiative FROM SCHOOL TO WORK: A GENDER PATH**

On Saturday 26<sup>th</sup> November Anna Giorgi – Head of the UNIMONT Centre of the University of Milan will take part in the event FROM SCHOOL TO WORK: A GENDER PATH, an event, presented by the Commission for Equal Opportunities of the Municipality of Brescia.

### **UNIMONT takes part in the EUSALP Annual Forum during the workshop dedicated to the role of young people in the National Recovery and Resilience Plan**

From 22<sup>nd</sup> to 25<sup>th</sup> November, at the end of the Italian Presidency, Trento hosted the Annual Forum of EUSALP – European Strategy for the Alpine Region, the fourth European Macro-Regional Strategy which involves 7 countries, 48 regions and 80 million people in order to respond to the important challenges of the Alpine Region.

### **“UnimiConnect. University Third Mission Universe”: UNIMONT's contribution to the third mission activities of the University of Milan**

The University of Milan has an impact on society with many activities, as presented in this book. One of these, and an extraordinarily important example, is the interaction of UNIMONT, Centre of Excellence of the University of Milan, with the Lombardy Region and more generally with the various Alpine communities.

### **Great attendance at the conference about the bark beetle in the Alps and in Valle Camonica**

On the afternoon of Friday 11th November, the UNIMONT Campus of the University of Milan hosted around two hundred participants in person and online who listened to lecturers and experts on the topic of the European spruce bark beetle in the Alps and Valle Camonica with interest.

### **UNIMONT participated in "Strachitunt: synergies and strategies for the ethical future of the territory"**

Professor Anna Giorgi of the UNIMONT Centre of the University of Milan - DISAA Department presented a speech entitled "Mountains 'at the centre': towards a new and specific vision for the sustainable future of mountain territories" in which she described the experience and the role played by the UNIMONT Centre in promoting the development processes of mountain territories.

### **GIS DAY 2022: the synergy between UNIMONT and LIMES FARM is strengthened**

On Wednesday 16 November 2022, the UNIMONT Centre team of the University of Milan took part in the workshop dedicated to GIS DAY 2022, organized by Limes Farm and Assocamuna, with the aim of finding out more about GIS applications in society.

### **UNIMONT took part in the Coldiretti Brescia conference "+0.96°... The long, hot summer"**

On Thursday 10th November 2022, Professor Anna Giorgi, Coordinator of the Undergraduate Course in Development and Protection of the Mountain Environment of the UNIMONT Centre of the University of Milan, spoke at the conference organized by Coldiretti Brescia, dedicated to the effects of climate change on the economy of mountain areas.

### **UNIMONT took part in the event “Ready to stay? Youth as a driver for territorial development in Alpine depopulated areas”**

On Thursday 10<sup>th</sup> November 2022, UNIMONT, Center of excellence of the University of Milan, spoke at "Ready to stay? Youth as a driver for territorial development in Alpine depopulated areas". The event, jointly organized by Eusalp – Action Group 2, the Youth Council and the Lombardy Region, represented an opportunity for reflection on the issue of the depopulation of mountain areas.

### **CereAlp project updates: Good practices for the cultivation and transformation of alpine cereals and medicinal plants**

The final workshop of the CereAlp project dedicated to the dissemination of good practices for the cultivation and/or transformation of saffron was held on November 9th. At the end of the workshop, the initiative Raccontati in un ciack! was presented, aimed at disseminating videos of producers who cultivate and/or transform saffron in an innovative way.

### **Val.so.Vi.ca.: two evenings of wine tasting with IGT Valcamonica**

The two evenings of wine tasting with IGT Valcamonica, organized on October 28 and November 8 as part of the Project Val.so.Vi.ca. - Enhancement of Sustainable Viticulture in Valle Camonica, have been a great success.

## STUDY IN UNIMONT

### **First level Master in Project Management for Mountain areas: the first lessons are starting!**

On Friday 18<sup>th</sup> and Saturday 19<sup>th</sup> November during the first two lessons of the First Level Master in Project Management for Mountain areas organized by the UNIMONT Centre of the University of Milan in collaboration and with the financial support of the Department of Regional Affairs and Autonomies (DARA) of the Presidency of the Council of Ministers, the 27 students, from 7 Italian regions (Emilia Romagna, Lazio, Liguria, Lombardy, Marche, Piedmont and Veneto) and from abroad (Spain), addressed the theme of geological and botanical specificities that characterize mountain ecosystems.

## CALLS, INTERSHIPS and JOB OPPORTUNITIES

### **Calls for mountain areas**

- **Interreg Alpine Space - Small Scale Projects** - Deadline: 16/12/2022.

In the period 2021-2027, the Interreg Alpine Space program co-finance projects contributing to four main objectives or priorities. Each priority can be declined into specific objectives, which define the direction in which we want to develop the Alpine region.

- **Expression of interest for the presentation of projects of Renewable Energy Communities - Lombardy Region** - Deadline: 30/12/2022.

The general objective is to accompany Municipalities through the analysis and evaluation of the proposals presented so that local initiatives are effectively transformed into active and working energy

communities.

NEXT EVENTS

**DECEMBER 14TH 2022 | RacCONTA LA MONTAGNA: Antonio Pascale, La foglia di fico**

Antonio Pascale will present his latest book, "La foglia di fico", finalist at the Campiello Prize 2022.
