

Nowadays, Mountain Resort Stakeholders face a common challenge in coping with climate change effects on the socio-economic fabric. TranStat will develop a physical & digital network of resorts in transition to share knowledge and experience.

This project will bring mountain stakeholders together through a participatory approach in order to test solutions based on economic, ecological and social analysis in order to build a lively future in mountain areas!

The involved Mountain Resorts are

Region Surselva  
CHIESA IN VALMALENCO Manivaski  
Saint Pierre Rogla  
de Chartreuse Megève BIOSPHERE RESERVE  
GROSSES WALSERTAL  
KRANJSKA GORA Sankt Corona
