## NEWS HIGHLIGHTS

### UNIMONT General Partner of the “Summer Field School (Hybrid) on Mountain Ecosystems & Resource Management”

UNIMONT, centre of excellence of the University of Milan is General Partner of the “Summer Field School (Hybrid) on Mountain Ecosystems & Resource Management 2023” (FSc MER 2023). The event, organized by the Grassroots Institute (Canada), will take place from 11th to 20th September 2023 in Hungary and will be open to 40 face-to-face participants and more than 1000 online.

### racCONTA LA MONTAGNA: the sixth edition of the literary review dedicated to the mountains has ended

The sixth edition of the literary review dedicated to the mountains racCONTA LA MONTAGNA ended on 24<sup>th</sup> May, 2023 with the book "L'uomo che guardava la montagna" by Massimo Calvi. The review, created in memory of Alida Bruni, friend and collaborator of the Mountain University, began on 11<sup>th</sup> December 2017 during the event Cime a Milano.

### UNIMONT participated in the event “Maize genetic resources. Recovery and valorisation”

On Saturday 24<sup>th</sup> June, Dr. Luca Giupponi – UNIMONT Centre of the University of Milan – Department of Agricultural and Environmental Sciences (DiSAA) presented the research activities carried out by UNIMONT to enhance mountain agro-plant biodiversity.

### UNIMONT participated in R2B in Bologna – Research to Business. Skills and talents

On Friday 9<sup>th</sup> June the UNIMONT Centre of the University of Milan took part in the workshop "Capacity building and development of territories - High skills for mountain areas", a meeting that offered food for thought on the subject of skills in the mountains.

### Cooperation and culture as the only way for development: UNIMONT at the "100 minutes of..."

One of a series of meetings "100 minutes of ..." by Vitale-Zane & Co.Srl (VNZ), which featured the UNIMONT Centre of the University of Milan, represented by Prof. Anna Giorgi, and the Azienda Agricola Cascina Margherita of F.lli Pedranzini of Bormio, represented by Dr. Giacomo Pedranzini, took place in the evening on 7<sup>th</sup> June in the reading room of Libreria Tarantola in Brescia.

## AGRITECH

Agritech – the National Centre for Agricultural Technologies is a national project financed with NRRP funds that involves 28 universities, 5 research centres, and 18 companies. The UNIMONT centre of the University of Milan will operate within Spoke 7, focusing on mountain areas with the aim of promoting a multifunctional production system that favours the agro-ecological and socio-economic sustainability of these territories.

### Contribute to the mapping of Italian plant agro-biodiversity: report local varieties in your area

UNIMONT, a Centre of the University of Milan, is mapping and characterizing traditional Italian local varieties through a citizen science activity, i.e. involving citizens in the collection of scientific data in order to integrate the map of Italian plant agro-biodiversity. This initiative is supported by the NRRP Agritech project - National Center for Agricultural Technologies.

## STUDY IN UNIMONT

### MOUNTAINSIDE Master's Degree Course

The Open Day of the MOUNTAINSIDE Master's Degree Course on 15<sup>th</sup> May saw the participation of students connected from different countries of the world. [Click here to watch the recording of the meeting.](#)
